Activity Name: State Cost Share

Activity Category: Agricultural Practices

Staff time?: No

Description: These funds will be used to provide 75% cost share for eligible agricultural practices that are designed and installed according to standards and specifications found in the NRCS Field Office Technical Guide. Practices will be installed in high priority areas as identified in the Chippewa County Local Water Management Plan or the Hawk Creek CWMP.

Actual Results

Activity Name: Technical/Engineering Assistance

Activity Category: Technical/Engineering Assistance

Staff time?: No

Description: Chippewa SWCD will provide technical assistance and administration for the State Cost Share grant by assisting landowners with application process, conducting site investigations and technical assessments, completing surveys and practice design, meeting with landowners to review plans, meeting with contractors prior to construction, providing on-site construction inspection, completing as-builts, completing vouchers, making payments, and maintaining proper documentation for program tracking and reporting.

Technical assistance for agricultural practices will be provided by the SWCD District Technician and/or the TSA Engineering Tech. Job approval authority credentials are available within eLINK or upon request.
